# MORE OPPORTUNITIES FOR SECONDARY SCHOOL STUDENTS TO DEVELOP TALENT IN ART AND MUSIC

- The AEP and MEP are four-year programmes offered to students enrolled in AEP/MEP Schools.
- The programmes aim to develop well-rounded leaders who are supportive of the Arts, and focus on in-depth and critical learning to deepen students' conceptual understanding of Art/Music, leading to Higher Art/Music at GCE O-Level.
- Secondary 1 students in the Express course, who are not enrolled in schools that offer the AEP/MEP can apply to AEP/MEP centres by submitting your application through CCHY from 4 January 2016 onwards.
- Shortlisted students will be required to attend a selection exercise. Successful students will then commence their AEP/MEP lessons at the respective centres beginning Term 2 of 2016.
- Further details on the application procedure can be found in the notification GS/10/15<<https://icollaborate.moe.gov.sg/nai/Lists/Document/AllItems.aspx>>
