# FAQs

Question: My child is very keen in soccer. There is no Soccer CCA in CCHY. Is it possible to start one?

Answer: As much as our school strives our best to cater to the interests of our students, we are limited by the resources we have. Several constraints include the number of teachers we have, and the facilities available on site.

Question: My child has no prior experience in music or playing any musical instrument. He is very keen to join the Symphonic Band. Is he likely not be selected?

Answer: We welcome students who are keen in music to join our Symphonic Band. As there is a minimum number of students required to form a band or orchestra, the chances of him being selected is relatively high. He should attend the auditions.
