3 February 2020

Dear Parent / Legal Guardian/ Caregiver,

How to beat the bug!

In school, we are teaching our children about the novel coronavirus and the good personal hygiene practices to protect themselves against transmission.

Let us work together to role model and reinforce these good practices at home. Watch, download and share the attached GIF on how to beat the bug!

The GIF can also be found at <https://chungchenghighyishun.moe.edu.sg/>.

Yours Sincerely,

Mr Tan Yee Kan
Principal
