SCHOOL'S ADDITIONAL MEASURES IN TERM 2

General/111/03/2020

20 Mar

Dear Parents/Guardian,

School will reopen as planned on Monday, 23 March 2020. In light of the evolving worldwide COVID-19 situation, we would like to update you on the additional precautionary measures taken to ensure our school remains a safe environment for learning.

1. To mitigate the chances of imported cases entering our school compounds, in addition to the national SHN regime, we will be instituting a 14-day Leave of Absence for students, staff and vendors/service providers who have returned from overseas, regardless of country or mode of entry, on or after Saturday 14 March. We will support affected students with home-based learning.
2. Signs are put up at the entrance of the school gate to remind staff, students and visitors to return home immediately if they have been issued with SHN/LOA.
3. Teachers will continue to be vigilant and monitor their students in classrooms throughout the school day. If any student shows signs of being unwell at any point in the day, he/she will be advised to go home and get the necessary medical attention as soon as possible.
4. To further mitigate the chance of disease transmission, the school will implement the following additional measures for a period of two weeks from 23 March to 3 April
 - a. Fixed exam-style seating in classrooms;
 - b. Assigned canteen seating;
 - c. Daily wipe-down routine for tables used by students in the classroom and canteen;
 - d. Increase frequency of cleaning common areas, canteen and toilets; and
 - e. Suspension of all CCAs and After School Programmes.

Please be assured that ensuring the safety and well-being of our students and staff is our utmost priority.

Thank you.

Tan Yee Kan
Principal
